THE MICHAEL MANNING FRPSL
Collection of Indian Postal History

Michael Manning recently celebrated 70 years of membership of the Royal Philatelic Society, and it was a great pleasure to witness his being presented with an appropriately engraved decanter at 41 Devonshire Place in London to mark this remarkable achievement. His father, the renowned philatelist and postal historian K.J.A.O. Manning, introduced him to the R.P.S. in the 1940s; Michael is one of only a handful of members ever to have reached this 70-year milestone. He joined the RPS in 1945, gave his first display of India to the Society in 1947, and was elected a Fellow in 1948. He has been avidly collecting India ever since. He has also been a member of the India Study Circle for several decades and was their Membership Secretary for many years.

In 1951, Michael joined the Bristol Aeroplane Company straight from college and worked there for 16 years before (“almost by accident” to use his own words) founding his own Motor business which has kept him busy ever since. Apart from philately, his hobbies include playing bridge, building (and sailing) model ships, and – above all – restoring and (until recently) driving a number of pre-1914 Veteran Cars, one of which he took on the famous London to Brighton rally no less than 28 times!

Michael has also been well known for more than 40 years as a major collector of Indian Postal History, with a particular interest in British “INDIA LETTER” markings, which he started when his collection of Indian Classic stamps was sold. His father was a great friend of Alan Robertson (the author of the fabulous 3-volume 1955-62 “Ship Letters” book), and Michael was fortunate to acquire a large number of rare India Letter covers directly from Alan Robertson in 1972; those covers are included in the lots that follow and formed the nucleus of Michael’s Indian Postal History collection. It was his aim to acquire an India Letter cover from every port that has been recorded using one, and he reckons that only five have eluded him (all of which are unique). So it seems likely that this auction includes the most comprehensive collection of India Letter markings ever to have been assembled; particular rarities here include the Arundel, Chichester, Hayler, St. Ives and Sidmouth covers. In addition Michael developed a great interest in the early postal markings of India itself, and the collection includes a remarkable range of rare and unusual nametamps and Maritime markings from the whole of India.

The name of Thomas Waghorn is inextricably bound up with the Postal History of India, and Michael has just the one Waghorn cover, but one of the rarest – given to him as a Christmas present by his father! – one of the two known 1836/37 “CARE OF MR. WAGHORN/COSSIER” covers. Then there are two “Horatio Hardy” signed covers and a good range of the rare pioneer “INDIA/Packet Letter/PAID” covers, a special study of the rare early oval “PACKET LETTER” datestamps of Bombay, Calcutta, Colombo and Madras, the “INDIA SOLDIERS” marks of British ports, and a unique study of the “India Letter” marks used on covers originating from non-Indian ports; namely from Australia, Brazil, Burma, Cape of Good Hope, Ceylon, China, Cuba, Indonesia, Malaya, Mauritius, the Philippines and St. Helena! Finally, there is a small but comprehensive collection of the mails of the 1935 Quetta Earthquake, which Michael has long enjoyed as a separate ‘side-line’ collection, but which could have won him Gold Medals a-plenty! In fact he has been one for competitive philately, but an International Large Gold Medal would, in my opinion, not have been too hard to acquire with this India collection.

The auction lots have been arranged in the following main sections:

1 - 41: India Letters from other Countries; Australia to St. Helena.
42 - 81: The early prestamp Indian mails to G.B., 1681-1819
82 - 92: Early internal Indian mails, 1787-1815
93 - 114: Later Indian mails to G.B. and elsewhere, 1817-45
115 - 133: Later internal Indian mails, 1819-45
134 - 149: Military Concession rates, 1826-51
150 - 159: The Red Sea Steamers’ mails, Thomas Waghorn & Horatio Hardy, 1833-37
160 - 201: British “India Letter” markings, 1820-42
202 - 228: Ingoing Mail to India ex G.B. & elsewhere, 1791-1839
229 - 241: The Postal History of the Quetta Earthquake, 1934-35

THE MICHAEL MANNING FRPSL COLLECTION

SECTION 1: INDIA LETTERS FROM OTHER COUNTRIES

AUSTRALIAN STATES

1 N.S.W. - SYDNEY - UNIQUE COVER WITH BOTH "INDIA LETTER/BRIGHTON" & "INDIA LETTER/WEYMOUTH" MARKS; 4 Mar. 1837 E (edge wear; some faults folded under) from “Sydney” to London “Per [Ship] Florentia” prepaid “[6d]” outgoing NSW Ship Letter rate but charged “1½ oz 6/2” (7 times rate) because it enclosed several letters - a PS asks the addressee to “...hand the two letters for [St.] Petersburgh to ...John Kitching and request him to forward them - he will refund the postage incurred additional...” - extraordinarily having mainly very fine matching orange-red strikes of both the boxed “INDIA LETTER/BRIGHTON” (Rob. In.2) and the boxed “INDIA LETTER/WEYMOUTH” (Rob. In.1); the Weymouth strikes cancel and replace the Brighton mark. Clear proof that these orange-red India/Ship Letter marks were applied in London (where a full set of the ports was kept). Unique(?) combination of marks and a rare wrapper for mail sent to Russia. PHOTO - see page 9. £400

2 N.S.W. - PARAMATTA - RED “INDIA LETTER/PENZANCE” AFTER INDIA LETTER RATES HAD ENDED; 25 Jan. 1840 EL (long cross-written family letter) from “Dunhered”(?) to Scotland prepaid “7[d]” (4d inland rate + 3d outgoing Ship Letter) with a fair red boxed “PARAMATTA/POST PAID” on the front (overstruck by the red oval Sydney Ship letter d.s.; posted before the news of the end of the India Letter rate system had reached Australia but landed in GB c. 16 Jan. 1840 with a mainly very fine orange-red “INDIA LETTER/PENZANCE” (Rob. In.2) on the flap slightly overlapped by a mainly fine black crowned “GENERAL POST OFFICE/SYDNEY” d.s., and so charged “[8d]” on arrival the new (from 10 Jan. 1840) standard India or Ship Letter rate. Good example of an early Uniform Penny Postage arrival cover. PHOTO - see page 9. £160

3 TASMANIA - 1st-TYPE OVAL “HOBART TOWN/V.D.L” ON “INDIA LETTER/DEAL” TO G.B.; 23 Mar. 1832 E (one side-flap removed) from a Missionary “On his way to Macquarie Harbour” posted in Hobart with a fine small undated oval “HOBART TOWN/V.D.L” on the front, charged “[1/2]” (4d India Letter + 8d inland) with fine boxed “INDIA LETTER/DEAL” on the top flap beside the London c.d.s. (20 Aug.). Good early India Letter the low rates for which had applied to Australian mails from Jan. 1830. PHOTO - see page 9. £120

4 TASMANIA - HOBART - “INDIA LETTER/GRAVESEND” COVER REF. THE DISASTROUS WRECK OF A CONVICT SHIP; 24 Apr. 1835 EL (full typed transcript; reinforced folds) from “Hobart Town” to London prepaid “4” (outgoing Ship Letter rate) an then charged “10[d]” (4d India Letter + 6d inland) on arrival with a superb boxed “India Letter/Gravesend” (Rob. In.3) nicely placed on the top flap (slightly overstruck by the red London arrival d.s.); the letter mentions “…the dreadful loss of life by the wreck of the George 3rd convict ship entering the river here; no blame is attached to anyone - the rock on which they struck is not shown on any chart. 134 lives lost and nothing saved. I fear we all lost letters, and I have just heard that the Cleopatra, the ship I sent a document [by]...is also lost. If you have not received it by now, you may conclude it is lost.” Graphic insight into the perils of 1830s travel. PHOTO - see page 9. £140

5 TASMANIA - CROWNED OVAL “HOBART TOWN/V.D.L” D.S. ON “INDIA LETTER/BRIGHTON”; 18/19 Dec. 1837 EL (worn folds and so address-panel page silk-backed) from “Hobart Town” to Yorkshire “P.[Ship] Elphinstone” with a very fine large crowned oval “HOBART TOWN/V.D.L” d.s. nicely placed on the front; charged “1/4” with a fine boxed “INDIA LETTER/BRIGHTON” on the top flap. Scarce port of entry for Australian mail. PHOTO - see page 9. £150

BRAZIL

6 RIO DE JANEIRO - INDIA LETTERS LANDED AT EASTBOURNE OR MARGATE; Fine 16 Aug. 1834 E from “Rio” (filing notes) to London charged “1/2” with a very fine orange-red boxed “INDIA LETTER/RAMSGATE” (Rob. In.4) (closed seal tear) nicely placed on the top flap, 15 Mar. 1842 E (some toning and edge faults; ex Robertson himself) from “Rio” (file note) to Stroud “P [Ship] Jack” with mainly very fine boxed “INDIA LETTER/EASTBOURNE” (Rob. In.1; late usage) on the flap slightly overstruck by red London c.d.s. [with small 1842 newspaper cutting ref. this ship having brought a vast amount of mail - mainly from Sydney - that was landed from the ‘Jack’ at Eastbourne]; rare pair of S. America covers treated as India letters because they were taken by ships from Australia that called in to Rio en route. Plus plain 1829 EL from “Calcutta” to London (redirected to Scotland) with overstruck boxed “INDIA LETTER/RAMSGATE”. (3 covers) PHOTO - see page 18 £160
BAHIA & PERNAMBUCO - BRIGHTON/LONDON INDIA LETTERS INCL. GRAPHIC ACCOUNT OF DESTRUCTION & MURDER IN BAHIA; 26 Mar. 1838 EL (divided into two pages; flap fault) from “Bahia” to Hereford charged “1/3” with a mainly fine boxed “INDIA LETTER/BRIGHTON” (Rob. In.1) nicely placed on the front - interesting contents ref. recent Civil war (the rebels having just been expelled from the city but not before they set many public buildings alight; “...the dead bodies were in heaps about the whole town for two days and some of them put into the flames...”); plus 19 Apr. 1839 EL (typed transcript) from “Pernambuco” to London “P [Ship] Roslyn Castle” (from Sydney, NSW) charged “4” (India Letter rate alone) with mainly very fine red boxed “INDIA LETTER/LONDON” (Rob. In.7 - only known 1838-39; filing crease) on the top flap. Rare pair from Brazil carried by ships originating in India/Australia. (2 covers) PHOTO - see opposite.

£150

RIO DE JANEIRO - UNIQUE(?) NEWHAVEN INDIA LETTER - UDC WITH BOXED “INDIA LETTER/BRIGHTON”; Fine 20 Sept. 1839 E from “Rio” (pencil note - as usual for this Rothschild correspondence) to London “[Per Ship] Andromeda” charged “1/8” with a mainly fine small “NEWHAVEN” UDC on the top flap (landed at this tiny port which never had its own Ship or India Letter marks) with a mainly very fine orange-red boxed “INDIA LETTER/BRIGHTON” (Rob. In.2) alongside (part overstruck by the London c.d.s. of 18 Nov.). Rare port of entry - specially for India Letter mails - and exceptional on a letter from South America. Exhibition Item. PHOTO - see opposite.

£300

CAPE OF GOOD HOPE

CAPE TOWN - RARE INGOING LONDON “POST PAID WITHDRAWN SHIP LETTER” COVER; 27/28 Feb. 1815 E (flap faults; cut to display mark) from “London” to “Cape Town, Cape of Good Hope” “P [Ship] Theodosia, Capt. Flynn” with a mainly very fine 2-ring “POST PAID WITHDRAWN SHIP LETTER/[Crown]/LONDON” c.d.s. (Rob. PPWSL 1) on the reverse (across the seal as per regulations); prepaid “2/4” (a third of the double Packet rate of 2x3s-6d); apparently the ship that carried this letter was not an East Indiaman though most ships to the Cape were at this date. Most unusual; we cannot recall having seen a Withdrawn Ship Letter to the C.G.H. before (they are usually to North America or Madeira). PHOTO - see opposite.

£140

UNIQUE (?) “ARUNDEL/SHIP LETTER” WITH SEPARATE BOXED “INDIA” ON COVER TO LONDON; Very fine 6 Apr. 1820 EL (Huth correspondence; in Dutch) from “Cape G. Hope” to London charged “2/4” (triple rate) with a very fine framed step-type “ARUNDEL/SHIP LETTER” (Rob. S2; 1820 only - one of only two recorded?) nicely placed on the front, but carried by an East Indiaman and so also with a mainly very fine boxed “INDIA” nearby to confirm the cheaper India Letter rate. Unique combination of marks; the very rare Arundel Ship Letter with the rare London “INDIA” mark. The March 1942 ‘Philatelist’ article regarding the numbers of ship letters in the recently unearthed Huth correspondence - 10,285 covers in all - notes only this single Arundel cover! Illustrated in Robertson, p.E10B. [With 1798 print of the castle showing a sailing ship in the river, and two similar PPCs. One of the rarest of all British Maritime Markings. Exhibition Quality and one of Michael’s favourites!]

PHOTO - see page 3.

£300

GRAVESEND/LIVERPOOL - SHIP LETTERS STRUCK IN ERROR (ONE OVERLOOKED) + INDIA LETTER; 1823/33 pair of Es from Cape Town/Calcutta to London/Edinburgh with fine to very fine “INDIA LETTER/GRAVESEND” or downward step-type framed “SHIP LETTER/GRAVESEND”; the first with mainly fine oval “POST OFFICE/CAPE of GOOD HOPE” d.s. and correctly charged, the other endorsed “Per Andromache” but wrongly charged Ship Letter rates. Plus unusual 28 May 1836 E from Cape Town to London “Pr [Ship] Briton” charged “3/1” (4d India + triple inland 11d rates) with fair boxed “LIVERPOOL/SHIP LETTER” (crease) on the flap struck in error and so overstruck by a fair “INDIA LETTER/LIVERPOOL” (crease) with a second strike (partly lost across seal) alongside, also having a v. fine crowned oval CGH d.s. on the front. (3 covers) PHOTO - see opposite.

£1,500

ELIZABETH TOWN - FALMOUTH - SHIP LETTER ERROR CANCELLED BY VERY RARE BLACK LONDON SHIP LETTER OFFICE “CROWN”; 26 May 1826 long E (minor edge wear) from “Port Elizabeth” (unaltered - P.O.?) - manuscript mark beside crossed out encircled CGH “[Crown]” namestamp on the flaps, and part oval Cape Town transit d.s. of 1 Aug. on the front) to London with a very fine red framed step-type “FALMOUTH/SHIP LETTER” on the top flap cancelled by a superb very rare black London Ship Letter Office “[Crown]” mark (in the place of the more normal Crutched Cross) with a mainly fine replacement boxed “INDIA LETTER/FALMOUTH” (struck in London) nearby; charged “2/4” in total. Unique(?) combination of marks. The London Ship Letter Office Crown mark (Jay L1328) is only recorded for 1827. Exhibition Item. PHOTO - page 10.

£300
14  **FOWEY/GRAHAMSTOWN** - RARE BOXED “INDIA LETTER/FOWEY” ON C.G.H. COVER TO LONDON; Attractive neat 23 Feb. 1830 EL from “Grahams Town” (fair encircled ‘Crown’ namestamp on the front to London prepaid “1/4” in C.G.H. and charged “1/.4” on delivery (4d India Letter + 1/- inland rate) with a very fine (especially for this) boxed “INDIA LETTER/FOWEY” nicely placed on the front. A much less attractive (overstruck) example in the Peter Stone Collection realised £860 in 2010. PHOTO - see page 13. £400

15  **SCILLY ISLANDS/ST. IVES** - COVER WITH UNIQUE (?) BOXED “INDIA LETTER/ST. IVES . CORN” PLUS RARE BOXED STEP-TYPE “ST. IVES/SHIP LETTER”; 16 Apr. 1830 EL (very long 2-sheet family contents; some professional silk restoration does not detract) from “Cape of Good Hope” to Daventry [Per Ship Mary Ann] charged “2/4” then “2/7” on arrival (4d India Letter + 2/3 inland postage) with a mainly fine rare boxed step-type “ST. IVES/SHIP LETTER” (Rob. S1; only three examples known?; just crossed by fold) nicely placed on the top flap, but also having a very fine very rare boxed “INDIA LETTER/St. IVES . CORN” (Rob. In.1; still the only recorded India Letter mark for this tiny Cornish port) alongside. Only four covers are recorded from this voyage; all were landed by the ‘Fly’ Scilly Islands pilot boat at St. Marys (Scilly Is.) before being taken on to Hayle (the Indian mail bag) or St. Ives (the C.G.H. mail bag); all four covers have differing postal marks. This one C.G.H. cover was landed at St. Ives (see the India Letters section for two of the others that were landed at Hayle). Fascinating story. [See 25 June 1830 ‘West Briton’ newspaper for full details.] This is the cover illustrated in Robertson, p.E264. Highly Important and Unique India Letter. [Ex Sidney Raine & ex Alan Robertson.] PHOTO - see opposite. £2,000
POOLE/PORT ELIZABETH - THE UNIQUE (?) RED BOXED “INDIA” WITH SOLE RECORDED BOXED “SHIP LETTER/POOLE”; Spectacular 29 Dec. 1838 EL (one sheet now divided in two) from “Tindals, Port Elizabeth” to London prepaid to Cape Town with a poor encircled PO “[Crown]” mark on the front beside a partly fine crowned oval CGH PO d.s. In.8; now known not be struck in India!) and the sole recorded example of the boxed “SHIP LETTER/POOLE” (Rob. S7; Tabeart notes this cover only - slightly across the join). Superb Exhibition Item. [Ex Sothebys 1982 auction; this cover illustrated by Alan Robertson as a new discovery in the PHS ‘Bulletin’ of Jan. 1971.] PHOTO - see back cover. £1,200

Ship Union, Pointe de Galle” with fair oval-framed “Post Paid/Fort St George [12f[anam]s]” (HG4) with separate h.s. “16 Feb” on the front; but redirected (in red) to “East India House” so presumably too late to catch the ship that must have been bound for G.B., and so having a partly fine small encircled “SHIP LETTER/[Crown]/LONDON” (30 Aug.) on the front and a “4” charge changed to “8[d]” (full Ship Letter rate) with two red London P.O. Inspector’s “[Crown]” marks. Rare early ingoing cover to Ceylon and exceptional being redirected on to G.B. PHOTO - see page 9. £150

These Ceylon Packet Letter marks are rare, and exceptional on prepaid mail such as this. [A similar strike, but in the usual black ink on an unpaid cover in Cavendish’s Apr. 2004 auction, lot 401, realised £750.] PHOTO - see page 9. £500

23 WHAMPOA(?) - VERY EARLY INGOING COVER FROM G.B. VIA INDIA - PACKET LETTER + KING'S POSTAGE MARKS; Remarkable 14/16 Apr. 1819 E (cross-written family contents) from London to “Mr. Clark, [Ship’s] Surgeon, [Honourable]. Company’s. Ship, Waterloo, Post Office, Calcutta” and endorsed “[Per Ship] Thomas Grenville” with partly fine cased 2-ring “INDIA PACKET LETTER/G.P.O./LONDON” c.d.s. on the front with “3/6” rate, with mainly fine boxed Calcutta “KING’S POSTAGE [1-8]/INLD. do.” (3 Sept.) across the join on the reverse, but also endorsed “N.10/13 Sept. 1819” (by the Calcutta P.O.?) on the front, and redirected in red to “China”. The letter was endorsed on an internal flap; “I think this Letter is from Ann & I have not read it. R.M.M. China, Feb. 1820” (folds to display this beside the address-panel), showing that the letter did indeed reach Whampoa (the usual port for E.I.C. vessels at this date). Thought to have been carried from Calcutta to Whampoa on the E.I.C. ship “Streatham” that sailed from New Anchorage (Calcutta) to Penang (26 Dec.) via Malacca & Singapore to Whampoa (9 Feb. 1820). One of the earliest known letters delivered TO China. Unique? PHOTO - see inside front cover. £500

24 CANTON - EARLY LETTER TO INDIA WITH “KEDGREE/POST OFFICE/SHIP LETTER”; 27 Sept. 1829 EL (folds to show internal heading beside address; small fault at top right of address, clear of marks) from “Canton” to Calcutta “Per [Ship] Agnes” with a very fine boxed “KEDGREE/POST OFFICE/SHIP LETTER” (HG S3) on the lower flap along with Calcutta charge & date marks. Interesting long letter ref. a recent voyage from India affected by pirates and storms; plus opium prices and mentioning a sample of cloth enclosed (no longer present). Possibly one of the earliest known covers from China to India. Rare thus. PHOTO - see page 17. £200

25 CANTON - EARLY LETTER TO INDIA WITH “KEDGREE/POST OFFICE/SHIP LETTER”; 17 May 1834 EL (folds to show internal heading beside address; faults at top/right of address) from “Canton” to Calcutta “Per [Ship] Mermaid” with a mainly fine boxed “KEDGREE/POST OFFICE/SHIP LETTER” (HG S3) nicely placed on the lower flap along with Calcutta charge & date marks. Interesting letter; “The Opium trade is in a very depressed state at this moment, owing to the seizure by the Mandarin of one of the Smuggling Boats. The Brokers have nearly all run away…” Pre-1840 mail from China to India is rare. PHOTO - see page 17. £150

26 CANTON - PLYMOUTH INDIA LETTER MARK STRUCK IN ERROR & REPLACED BY SHIP LETTER; Fine 29 Aug. 1838 E from “Canton” to London “[Per Ship] Silvia” charged “3/2” with a mainly very fine boxed “INDIA LETTER/PLYMOUTH” (Rob. In.1) struck in error slightly across the join on the reverse, but overridden by a mainly fine framed step-type “SHIP LETTER/PLYMOUTH” with a mainly fine second strike alongside. Unusual Post Office error on a letter from China. PHOTO - see page 17. £150

27 MACAO - UNIQUE(?) COVER WITH BLUE EASTBOURNE INDIA LETTER REPLACED BY RED EASTBOURNE SHIP LETTER; Attractive 27 Jan. 1836 EL (in Portuguese; divided into two sheets to show internal heading beside address-panel) from “Macao” to London “Per [Ship] Abercromby, [Capt.] Robinson” charged “1/4” (8d Ship Letter + 8d inland rate) but having a very fine blue boxed “INDIA LETTER/EASTBOURNE” (Rob. In.1; very scarce colour) on the top flap overridden by a very fine rare red framed step-type “EASTBOURNE/SHIP LETTER” (Rob. S2a - the finer of only two recorded examples both carried on the same ship - the other from Canton) with a second equally very fine strike (closed seal tear) alongside. Remarkable combination of marks; Chinese mails were not entitled to the lower India Letter rates. [The other example of S2a - similarly cancelled - was in Cavendish’s Sept. 2001 ‘Martlet’ auction, lot 223; realised £1,265.] Superb Exhibition Item. PHOTO - see opposite. £500

In.2; also scarce - filing crease) nicely placed on the front with “1/1” charge (4d India Letter + 9d inland rate) alongside; oddly the Ship Letter mark was not cancelled, but it seems likely that the India Letter mark was applied in the London Ship Letter Office (a very differently coloured ink) and the rate correctly assessed there. Plus 17/18 Apr. 1839 2-sheet EL (part typed transcript) from “Matanzas” to London “P. [Ship] Sandersons” charged “1/4” with a mainly very fine boxed “Gravesend/Ship Letter” (filing crease) (Rob. In.3) on the top flap. Rare pair; Cuban mail was very rarely carried by East Indiamen and so treated as India Letters. (2 covers) PHOTO - see page 17.

In.1) on the lower flap; charged 2 Oz 6/4” (8 times 8d inland plus a single India Letter 4d). Rare early letter from Penang and a most attractive example of the eccentric system at Romney of using an anonymous “India /LETTER” mark while London applied the normal mark. [This cover illustrated in Robertson, p.E.256/B.] [Ex Alan Robertson.] Exhibition Item. PHOTO - see page 17.
32 PENANG - RARE “INDIA LETTER/LEWES” ON COVER LANDED AT TINY VILLAGE OF “SEAFORD” (UDC); 1 Apr. 1835 EL (bad rust stains) from “Penang” to London “Per [Ship] Blenheim” charged “2/4” with a very fine “SEAFORD“ UDC on the flap (part overstruck by red London c.d.s.) but also having a very fine rare boxed “INDIA LETTER/LEWES” (Rob. Rare thus. PHOTO - see opposite. £240

35 PORT LOUIS + CALCUTTA - PAIR OF BOXED “INDIA LETTER/BRISTOL” COVERS INC. In.10; now known to have been used only at Romney - filing crease with small closed hole adjacent). Of the 12 or so recorded example of this unusual “India/LETTER” mark of Romney, this appears to be the only recorded example that does not also have the London orange-red “INDIA LETTER/ROMNEY” mark (e.g. the 1834 Penang cover above). 42 MADRAS - VERY EARLY LETTER SENT BY EAST INDIA CO. “SHIP PRESIDENT, Q.D.C.” TO LONDON; Very fine 7 Apr. 1681 EL (contents sheet separate from address-panel sheet and so easy to display; no postal markings because sent by an East India Co. agent to a major London merchant) from “Madrafs” addressed “To the Right Worshipfull Sir John Moore In London” and clearly endorsed “P Ship Presid[en]t. Q[uem]. D[eus]. C[onservet][i.e. ‘whom God preserve’], signed by the one-time East India Co. “Chief of Mesulipatam”, “Richard Mohun”, regretting that he has recently lost his E.I.Co. job. The Ship ‘President’ is recorded as having been a 3-tiered 500-ton vessel with 36 guns; she reached England on 13 Jan. 1682 on this voyage via Mauritius & St. Helena (which therefore took 281 days in all). Attractive and rare; very few pre-1700 letters from India remain in private hands. Excellent Indian Postal History ‘Page One’ item. PHOTO - see above. £500

THE [SHIP] WORCESTER”; Fine 19 Feb. 1771 EL (some later annotations slightly affecting address-panel at right but folded neatly to cover this with the internal dated heading alongside the address) written from “Bengall” (the writer was apparently en route from Calcutta to Dacca) charged “1” and then “In all 5” (because addressed to Chudleigh in Devon) with mainly fine small “LONDON/SHIP LRE” nicely placed on the front matching the very fine “23/IA” London transit Bishop Mark on the top flap. The ‘Worcester’ was a 3-tiered 755-ton vessel; this voyage went from Culpee via Ingeli (on the Hooghly River) and then via St. Helena (8th June). Attractive and early. PHOTO - see page 21. £200

Exhibition Quality. PHOTO - see below. £500

(12 Nov.) alongside; charged “8[d]” inland rate in England. Very few examples of this unusual (and mis-spelled) Madras mark are known; it was used as an emergency measure - for Packet Letters of only three months (May, June & July 1816) - pending the arrival from London of the regular oval datestamp. It is even rarer on prepaid mail such as this. Superb Exhibition Item and one of the gems of the Manning Collection. PHOTO - see front cover. £750

Ship Larkins” with very fine matching “MADRAS/PACKET LETTER” oval d.s. (25 Sept.) and matching oval-framed “POST PAID” (beside “8d”) nicely placed on the front, but underpaid (should have been the 3s-6d rate) and so with a mainly fine rare large boxed London Ship Letter Office “MORE TO PAY” on the front beside the “2/10” balance of the 3s-6d rate. Most Important Exhibition Item. PHOTO - see inside front cover. £500

Asia” (the designated Packet ship for that month) and so charged “4/7” with a mainly very fine crowned “INDIA PACKET LETTER/LONDON” 2-ring d.s. nicely placed on the front. (a couple of weeks later the rules would have changed and the letter would only have been charged 1s-5d instead of “4/7”!). Rare combination of marks. PHOTO - see page 27. £300

WITH BOXED “INDIA” + PORTSMOUTH SHIP LETTER CANCELLED BY CRUTCHED CROSS:** 16 Apr. 1819 E from Madras to GB “Pr Phaeton” with a fine “MADRAS/PACKET LETTER” oval d.s. at top left but overstruck by a fine blue (scarce colour) boxed “PORTSMOUTH/SHIP LETTER” and both cancelled by the rare London “Crutched Cross” mark on arrival (the Ship Letter identification was also wrong; it was an India Letter!), with a partly fine rare black boxed London “INDIA” alongside Part red 1 Sept. backstamp; various charges inc. redirection from Sittingbourne to Northampton. Lot 151 “PER STEAMER FORBES VIA RED SEA” COVER RETURNED TO CALCUTTA DUE TO BOILER FAILURE & SENT AS “INDIA LETTER”; Fine 28 Feb. 1834 E from “J.A.P. Durand” (up-country?) to London endorsed “P. Steamer Forbes via Red Sea 15 April 1834” on the front with mainly fine black boxed “CALCUTTA/G.P.O./SHIP LETTER” d.s. (13 Apr.) on the top flap, but the small river steamer suffered boiler failure near Madras on this voyage and limped back to Calcutta where the mails were sent again on the sailing ship ‘Pallambam’ which eventually reached Falmouth in early November, hence the fine black boxed “INDIA LETTER/FALMOUTH” on the top flap and the “1/4” arrival charge (4d India Letter + 1/- inland rate) with 6 Nov. London arrival backstamp. Rare cover from this ill-fated pioneer steamer voyage. PHOTO - see page 49. £200

Lot 152 PATNA “BY THE FORBES STEAM VESSEL TO SUEZ” COVER RETURNED TO CALCUTTA DUE TO BOILER FAILURE; 7/8 Apr. 1834 E from Patna (fair encircled “PATNA/Post/PAid” on the flap) to Kent endorsed “By the Forbes Steam Vessel direct from Calcutta to Suez” on the front with partly black boxed “CALCUTTA/G.P.O./SHIP LETTER” d.s. (13 Apr.) on the lower flap, but the small river steamer suffered boiler failure near Madras on this voyage and limped back to Calcutta where the mails were sent again on the sailing ship ‘Pallambam’ which eventually reached Falmouth in early November, hence the mainly very fine black boxed “INDIA LETTER/FALMOUTH” on the top flap and the “1/4” arrival charge (4d India Letter + 1/- inland rate) with 6 Nov. London arrival backstamp. Rare cover from this ill-fated pioneer steamer voyage. PHOTO - see page 49. £200

The dates of this cover fit the Hugh Lindsay’s voyage from Bombay via the Persian Gulf to Basra, where the mails were taken part way by Col. Fine example of a letter carried via the Persian Gulf route by this small Pioneer Red Sea steamer and then sent via Egypt and the Mediterranean. Exhibition Item. Pallambam” because the small river steamer ‘Forbes’ suffered boiler failure near Madras on this voyage and limped back to Calcutta where the mails were sent again on the sailing ship ‘Pallambam’ (presumably because the ‘Hugh Lindsay’ - the Bombay to Suez steamer - had already left) which eventually reached Falmouth in early November, hence the very fine red boxed “INDIA LETTER/FALMOUTH” on the front and the “1/4” arrival charge (4d India Letter + 1/- inland rate) with 6 Nov. London arrival backstamp. Rare and unusual cover from this ill-fated pioneer steamer voyage. PHOTO - see page 49. £200

186 PENZANCE - THE UNIQUE (?) MANUSCRIPT “India”-ENDORSED STEP-TYPE “PENZANCE/SHIP LETTER” COVER; c.30 Nov. 1821 El (two reinforced folds) from “On River between Barhampore & Baglipoor” to Exeter endorsed “P [Ship] Boyne” in red above the address and carried by that ship that left Calcutta on 1 Dec. 1821 and reached Falmouth on 13 Apr. 1822; the mails were clearly landed from the pilot boat at Penzance and there is a mainly fine, framed step-type “PENZANCE/SHIP LETTER” (Rob. S3) on the top flap most exceptionally endorsed “India” before “SHIP” in the same manuscript ink as the “2/2” postal rate on the front. Penzance had no “India Letter” mark before 1823, so this Provisional manuscript usage must have been very rarely used (perhaps only for mail addressed to the west of London such as this?). The only recorded example of this Unique style of Penzance “India Ship Letter” mark. [Ex Alan Robertson.] Important Exhibition Item. PHOTO - see opposite. £750

187 PENZANCE - SAUGOR/CALCUTTA - PAIR OF DOUBLE-BOXED INDIA LETTER MARKS IN RED OR BLACK; 31 Oct. 1832 El from “Calcutta” to Edinburgh “Per [Ship] General Palmer” with a very fine orange-red double-framed “INDIA LETTER/PENZANCE” (Rob. [A similar cover but from C.G.H., realised £805 in Cavendish’s Apr. 2006 auction, lot 791.] Very rare. (7 Nov.); the final postal charge of “1/11” (with a faint Scottish Mail Tax “½” mark) is 4d India Letter plus one of the highest recorded inland single letter prestamp G.B. rates of 1s-7d (46 miles to London plus 818 miles on from there, but charged at the 900-1,000 miles rate!). It appears that this may have been the only occasion when an East Indiaman’s mails were off-loaded at Sheerness, as no other Sheerness India Letter covers have been recorded. The only recorded example of this Unique style of Sidmouth India Letter marking. [Unrecorded by Robertson but Tabeart, in his 2012 Supplement illustrates one other ‘Woodford’ cover with similar markings to this lot and of the same date, but addressed to London with the mileage mark partly overstruck by the London c.d.s.] Important Exhibition Item. £750

(8 days from Calcutta) to Aberdeen with a very fine rare orange-red boxed “INDIA LETTER/TEIGNMOUTH” on the top flap, slightly overlapping the mainly fine red boxed Calcutta “SHIP LETTER” transit d.s. (4 Mar.), Taberart only records two Teignmouth India Letter covers (ex Stone and Peter Burden Collections - latter realised £408 in Mar. 2013); all four (incl. this and the next lot) have London transit c.d.s.’s of the same day (11 Aug.) so it seems that only one East Indiaman ever dropped off her mail at this small Devon port.
